### NEW OPPORTUNITY FOR MARRIED AND SINGLE MEN TO SPEND EXTENDED TIME DIVING INTO SILENCE AT THE PURUSHA CAPITAL

Based on the success of our Taste of Purusha courses and requests from WPA course participants for longer courses, we will be offering the newly created Purusha Creating Coherence Program in the summer of 2017. Both Taste of Purusha and the Purusha Creating Coherence Program provide an opportunity to spend longer than one week diving deeply into self-referral pure consciousness in the blissful atmosphere created by the Maharishi Purusha Program<sup>SM</sup>, Maharishi Vastu<sup>®</sup> architecture, and the fresh air and beautiful mountain trails and scenery.

#### Purusha Creating Coherence Program for Married and Single Men – July 7 to August 5 (Minimum stay of two weeks)

With a program similar to the WPA routine but with the afternoons free for personal activities, this program includes an evening knowledge meeting with videos of Maharishi. Participants can come for two, three, or four weeks with starting dates of July 7, July 15, and July 22 and an ending date of August 5th. The course fee is \$1200 for two weeks, \$1550 for three weeks, and \$1900 for four weeks. If your stay coincides with the July 7-14 Guru Purnima WPA, you will enjoy the WPA for no extra fee.

#### Taste of Purusha for Single Men – All Year Long (Minimum stay of one month)

This course for single men also includes extended practice of the TM<sup>®</sup> and TM-Sidhi<sup>®</sup> programs, free time in the afternoon, and an evening knowledge program with members of the Purusha<sup>SM</sup> program. Course participants also dine with Purusha. This course is open to all single men but may be of particular interest to those who are thinking of joining the Maharishi Purusha Program. If a WPA occurs during your stay, you can enjoy it at no extra cost. Taste of Purusha typically begins on the 15th of each month but other starting times are available, including ones coinciding with the beginning dates of the WPAs scheduled for 2017. The fee is \$1500 per month and you may extend your "taste" for up to 3 months.

<b>Guru Purnima WPA with Dr. Keith Wallace</b> <i>We are honored to offer our first-ever WPA featuring Dr. Robert Keith Wallace. Most of you know of his pioneering research articles published in such prestigious publications as Science, the American Journal of Physiology, and Scientific American. A special feature of Keith's Guru Purnima WPA is that he will be sharing intimate stories of working on projects with Maharishi for more than 40 years, as well as reporting on the latest scientific developments he has been involved with in the areas of microbiome and Maharishi Ayurveda, epigenetics and Transcendental Meditation, and the Neurophysiology of Enlightenment. Keith is wonderfully direct, humorous, and insightful, and these qualities shine during his presentations and question and answer sessions. While completing his doctorate in physiology at UCLA in the late 1960's, Dr. Wallace began the Students International Meditation Society (SIMS), which triggered massive numbers of initiations on college campuses across the country and paved the way for Maharishi being able to train tens of thousands of TM program instructors throughout the 1970's. In 1973 he became the founding president of MUM. Keith is currently Dean and Director of Research of the Maharishi College of Perfect Health, and a Professor and Chairman of the department of Physiology and Health.
