Dear Friends of Purusha,

Enclosed is our calendar and course schedule for 2017 – Maharishi's 10th year of Invincibility – Global Raam RajSM.

On October 27th we inaugurated our new meditation and meeting hall. Located in the heart of the Purusha Campus, it provides meeting and program space for 100 members of the PurushaSM program. This beautiful new vastu building, along with the completion of eight new cottages with 16 rooms in the Course Campus, completes the first phase of construction of the Maharishi Purusha Capital of the Western WorldSM. We would like to express our deep gratitude to the donors who contributed to making these new buildings a reality.

The 29 rooms in our Course Campus allow us to accommodate the larger number of people who have been coming to courses. The new rooms were finished just in time for the 32 people who attended the Guru Purnima WPA in July. Sidhas and Governors have been coming from around the United States and several other countries to enjoy the inspiration and knowledge offered by the courses and the top leaders of the movement who have been conducting them. This, along with revitalizing rest and growth of higher states of consciousness, makes for a rich, nourishing experience at the Purusha CapitalSM. We have an excellent lineup of WPAs and course leaders again for the coming year. Please see the enclosed 2017 schedule for more details, and visit purushacourses.org.

Taste of Purusha for single men is growing in popularity. In July, 2017, we will be also be offering the Purusha Creating Coherence Program for both married and single men. Participants can come for two to four weeks. The opportunity to spend more time than a one-week WPA going deep into knowledge and experience is an ideal way to accelerate one's development of consciousness. For more details, see the enclosed course description.

Through extended practice of the TM[®] and TM-Sidhi[®] programs and the study of the Maharishi Vedic ScienceSM program, the members of the Maharishi Purusha ProgramSM in the United States, Europe, Russia, and Asia continue to generate coherence during this time of transition in world consciousness. It is our joy to help contribute to creating Heaven on Earth through the enlivenment of pure consciousness in ourselves and the world.

The generosity and vision of our dear donors is instrumental in helping us to fulfill the goals of the Maharishi Purusha Program to create Enlightenment for the individual and the world, and for this we are ever grateful.

We wish you and your family all success, happiness and Enlightenment in the coming year.

Jai Guru Dev
