Dear Friends of Purusha,

Enclosed you will find our calendar and course schedule for 2018 – Maharishi's 111th Year of Invincibility – Global Raam RajSM.

Once again, we have an exceptional lineup of top leaders of the Global Country of World Peace coming to lead courses at the Purusha CapitalSM in West Virginia. We invite all male Governors and Sidhas to join us for a refreshing experience of diving deep into pure consciousness in the delightful environment of the Purusha Capital. Please note that the course schedule includes several options for longer courses during the summer and fall.

You will be happy to hear that we are structuring new avenues for single men to join the PurushaSM program. These include the option to take MUM online degree programs while on Purusha, as well as the opportunity to join Purusha while teaching the Transcendental Meditation[®] program or participating in other projects. More information is available at Purusha.org.

On October 20th we celebrated the 36th anniversary of the Maharishi Purusha ProgramSM. It has been our great joy to be a part of this amazing program for all of these years. Our beautiful homes in India, West Virginia, Germany, Holland, Denmark, Australia, and other locations are ideal settings that allow us to continue to go deep into consciousness as a field of all possibilities, and in that silence to generate coherence to support all of the goals and activities of the Global Country of World PeaceSM.

In September, nearly 180 Purusha from around the world participated in the First Advanced *Maharishi Vedic Science*SM World Assembly in Orlando, Florida, led by Maharaja Adhiraj Rajaraam. This international gathering was also attended by an additional 400 Governors and Sidhas, including leaders of the Global Country of World Peace and members of the Mother Divine Program[®]. It was a grand celebration of advanced knowledge and deep experience, and we want to thank the donors whose support made it possible for us to participate.

We further appreciate all our donors and supporters for your indispensable help in keeping the Maharishi Purusha Program on a firm financial footing. It is through our shared goals and achievements that we are creating a better world.

We wish you and your family all success, happiness and Enlightenment in the coming year.

Jai Guru Dev
