December, 2020

Dear Friends of Purusha,

Enclosed is our 2021 Purusha calendar and tentative course schedule.

Earlier this year we reluctantly suspended our courses due to the national health situation but we are looking forward to holding them again as soon as circumstances allow. When the courses do begin again we will post an announcement on purusha.org and will also send an email newsletter to everyone on our list. If you do not receive our newsletter and wish to do so, you can subscribe on our website. When our courses resume we anticipate once again having top leaders of the Global Country of World Peace lead many of them.

The NextGen PurushaSM (NGP) program is continuing to expand. In addition to the group in West Virginia, an NGP group has been established at Purusha's home in Oebisfelde, Germany. Next year a group will also be established in Java, Indonesia, in a new Maharishi Vastu[®] facility built specifically for their use. For more information visit nextgenpurusha.org.

Next summer we have scheduled a special course entitled, *An Advanced Understanding of Maharishi's Apaurusheya Bhashya*, to be led by Dr. John Konhaus from June 25 to July 12. 'Apaurusheya Bhashya' refers to Maharishi's cognition of the eternal, uncreated, self-referral commentary of Rik Veda. While this course will be open to all ages, it offers a unique opportunity for young men to join us for a taste of being with the NGP group, who will also be participating.

We are in the process of expanding our vegetable garden, greenhouse, orchard, and berry patches. Several NGP members have been working in the vegetable garden and the greenhouse, which have been providing organic produce for our meals.

On October 20th we will celebrate the 40th anniversary of the founding of the Maharishi Purusha ProgramSM. It has been a remarkable journey, and the generous support of our donors over the years has helped make it all possible. We deeply appreciate this support which allows us to continue creating enlightenment and peace for the world.

We wish you and your family good health, happiness and enlightenment in the coming year.

Jai Guru Dev
