December, 2021

Dear Friends of Purusha,

Enclosed is our 2022 Purusha calendar.

We are doing well, though we miss having our friends come and visit. We tentatively plan on resuming courses next Summer and look forward to seeing many of you join us then. We hope to begin offering World Peace Assemblies, courses for the NextGen PurushaSM program, and an in-residence Center Invincibility Course (CIC). This past year the NextGen Purusha group in Germany held a very successful 9 week in-residence CIC and, inspired by their success, we wish to hold one at the Purusha CapitalSM. When our courses do resume, we will post an announcement on Purusha.org and also send a newsletter to our email list. If you do not yet receive our newsletter and wish to do so, please subscribe on our website.

On October 20th we celebrated the 40th anniversary of the founding of the Maharishi Purusha ProgramSM. Reflecting back, we have experienced many remarkable and inspiring times with Maharishi and participated in numerous projects around the world to help create Heaven on Earth.

Going forward, we continue to take steps to create a new generation of Purusha and increase our numbers around the world. This includes working with MIU to offer more course options at the Purusha Capital for their students. Currently we have several MIU online degree students who are members of the NextGen Purusha program. An inspiring development is that a Purusha group has formed in Latin America, increasing the light of Purusha consciousness in another part of our world family.

We deeply appreciate all of the support and friendship from our dear donors and friends. Together we are all working to create a new world of peace, harmony, and enlightenment, and your support helps achieve these goals.

We wish you and your family good health, happiness and enlightenment in the coming year.

Jai Guru Dev
