March 28-April 4 (Sat-Sat), 7 nights, \$950

Enjoy an in-depth tour of one of the most fascinating areas of human knowledge—Maharishi JyotishSM—offered by one of the nation's most experienced guides. Charlie is known for his ability to take the abstract principles of this ancient science of prediction and make them easy and accessible to everyone in a delightful and practical way. For the past 30 years, he has been a student and teacher of the Maharishi Jyotish program, having worked closely with many of the great, classically trained Maharishi Jyotish experts from India. The WPA will include lectures, Maharishi videos, and captivating examples of the theory and practice of Maharishi Jyotish. Topics will include:

- How the movement of the sun, moon, and planets directly impacts our feeling, thinking, and behavior.
- The intimate connection between the intelligence within each one of us and the intelligence that guides the cosmos in an ever-progressive direction.
- How Maharishi YagyaSM performances can address the consequences of past action and remove restrictions to future progress.

The Nine Days of Mother Divine is an auspicious time for enlivening peace of mind, prosperity, and fulfillment of desires. This course includes special videos of Maharishi Vedic Pandits performing the traditional recitations for the Nine Days of Mother Divine and a lecture by Maharishi on Mother Divine. Ram Navami, the birthday of Ram, is celebrated on April 2nd.

There will also be an opportunity to enjoy the beautiful West Virginia mountains with some local outdoor activities and trips to integrate the knowledge from the course while promoting the awareness of the role that a healthy, vital physiology plays in developing true leadership. This course is ideal for all those who aspire to lead from the field of consciousness.
