December, 2018

Dear Friends of Purusha,

Enclosed please find our calendar and course schedule for 2019 – Maharishi's 12th Year of Invincibility – Global Raam Raj.

This past year, we hosted close to 175 Sidhas and Governors on 15 World Peace Assemblies, Creating Coherence, and Taste of *Purusha*SM Courses, a number of which were led by top leaders of the Global Country of World Peace, including Dr. Bevan Morris, Dr. Neil Paterson, and Dr. Doug Bix. Again in 2019, these and other leaders of Maharishi's world-wide TM[®] organization will give inspiring courses at the Purusha CapitalSM. We warmly invite you to join us for a week of deep rest, profound experiences and inspiring knowledge on one of our courses. We also have several options for taking a longer stay during the summer and fall. Please see the enclosed flyer for our 2019 course offerings.

In the year now closing, we have begun new initiatives to expand and perpetuate the Maharishi Purusha ProgramSM generation after generation. These include a new program for young men and a campaign to strengthen our ability to financially support Purusha now and into the future.

Next Generation Maharishi Purusha Program

Momentum is growing for the rise of a new young generation to join Purusha. There are many young men in the world looking for an opportunity to develop higher states of consciousness and dive deeply into Maharishi's Vedic wisdom. To meet this desire, we have set two starting times in 2019 for young men to join our new Next Generation *Purusha* program – March 29 and July 26. We are excited by the initial response and inspired by what it means for the present and future well-being of our world family. Please see the enclosed flyer and visit purusha.org/next-gen-purusha.html for more details.

Legacy Giving and Endowment Fund

To perpetuate the Maharishi Purusha Program generation after generation, a more solid financial footing is needed. You can assist us in accomplishing this goal by contributing to our Purusha Endowment Fund and/or by naming the Maharishi Purusha Program as one of the beneficiaries in your will. Details are available in the enclosed flyer and at purusha.org/legacy-giving.html.

We deeply appreciate your dedication in helping to support our existence and activities over the years. Together we are participating in a historic endeavor to achieve Maharishi's vision and plan for the establishment of Heaven on Earth.

We wish you and your family all success, happiness and Enlightenment in the coming year.

Jai Guru Dev
